**Our Mission**  
*"In Vino Veritas- Mangia!"*  
**Salute!**

Of course our regular menu & every item on the menu is available to be catered in to your function.

What most don't know is the Tobin & Mike have an extensive background in Culinary delights, which just are not available on our unique restaurant based menu.

Mike has over 30 years in the cooking business, being trained by Stouffers & then attending cooking school in college.

Tobin, self taught & blessed with a unique talent in seasonings & preparing dishes your guest will talk about for months to come.

The key to our success is word of mouth & YES we really enjoy what we do. It is said that cooking is one the divine essences of life, & we know Olive oil, fresh garlic & first rate ingredients are the basics, let your food breathe & you to will believe.
