Brown's Backers

Unite - New
coach New
team, New Spirit join
the Kent Browns
Backers TODAY!

Why We Love Winter & Snow

- You don't have to clean up after Fido
- We have an excuse to wear oversized clothing
- You have an excuse for not mowing,
- for once your lawn looks as good as your neighbor
- The Browns are rebuilding again!
- Men get to spend such quality time with their wives!
- you can eat those extra donuts, with out fear!
- you can leave you beer outside with out taking up space in your wifes refrrg!
- Those leaves you forgot to rake up, are out of site and out of mind.
- your old car looks as good as a new car!

Stand Proud oh Swingers
of golf clubs - A study
found out a average
golfer walks 900 miles
a year & drinks a average
of 22 gals of alchol a year!
That means on average a
golfer gets 41 mpg - Kind of
makes you proud, almost makes
you feel like a hybrid!!

Happy B-day
